Product information

Color: black
Bends: W03
Stick size: YT

The WARRIOR RISE YT is a youth hockey stick designed for young players who value a clean shooting feel and reliable control from an early age. The SABRE TAPER construction is specifically designed to deliver a stable, powerful release and supports precise shots in a variety of game situations.

- Technology: SABRE TAPER for a stable and controlled release
- Material: MINIMUS CARBON with a flat-woven carbon design
- Construction: R.L.C. 111 carbon construction with lightweight technology and epoxy resin formulation
- Grip: Soft, grippy grip surface for secure hand control
- Curvature: W03
- Hardness: 10.20
- Pole type: Left or right
- Size: YT, Color: Black

Especially for young players, it makes a noticeable difference when a stick not only feels light in the hand but also remains stable during passes, receptions, and quick shots. The flat-woven carbon provides a direct feel in all areas of the game, while the lightweight R.L.C. 111 construction keeps the stick agile. Together with the grippy shaft, this helps both in practice and in games when you need to handle the stick confidently and execute a clean shot.

The youth size YT and stiffness rating of 10.20 should be appropriate for the player's height and current strength level.
