WARRIOR ALPHA Ear Guards are classic ear guards designed for hockey, intended for players looking for a simple solution for head protection during practice or games. Especially in youth and club settings, it's often important that the equipment fits well, causes minimal distraction, and integrates easily with existing protective gear. The black design maintains a simple, understated look.

- Product Type: Ear protection for hockey

When it comes to ear protection, it's less about flashy details and more about a comfortable fit for everyday hockey play. That's exactly where this model fits in: as a practical addition for players who need reliable protection for their heads without making their gear unnecessarily complicated. This is especially advantageous during regular club play, when equipment needs to be ready quickly and function flawlessly during practice.

Choosing the right size is crucial. Available sizes are SR S/M and SR L/XL.
