WARRIOR EAR HOOKS BLACK are the perfect replacement or spare part for everyday hockey use, when you need to ensure your helmet fits properly again and small wear-and-tear parts need to be replaced. Such accessories are especially worthwhile during regular training or club activities to ensure that your equipment remains reliably and properly adjusted.

- Product Type: Ear pads for hockey helmets
- Brand: WARRIOR
- Color: black
- Application: Replacement part for a helmet
- Sizes: SR M and SR L
- Fit: Designed for senior sizes

Ear pads are among the helmet parts that wear out over time with heavy use. That's why it makes sense to consider not only the shell and face guard when selecting equipment, but also the small components that are essential for a proper fit and complete setup. The black version keeps the look simple and pairs well with standard hockey gear. A matching replacement part is especially practical for club players and teams where helmets are often used for multiple seasons.

When selecting a replacement part, be sure to choose the correct senior size that matches your existing helmet.
