WARRIOR EAR FLAPS (WHITE) are replacement parts for hockey helmets and are primarily intended for players and teams who want to maintain their equipment with ease. Especially during regular training sessions, a compatible ear clip is worthwhile when individual parts of the helmet need to be replaced without having to swap out the entire helmet.

- Product Type: Ear clip for hockey helmet
- Application: Replacement part for everyday game and practice use

With a helmet, it's not just the shell that matters—it's also important that the individual components fit securely and match the existing equipment. A white ear clip blends seamlessly into existing helmet configurations and is particularly useful when a damaged or missing part needs to be replaced. For teams, equipment managers, and active club players, this is often the easiest way to get helmets back into service on a daily basis.

It's important to choose the correct senior size for your helmet. Before making a selection, we recommend briefly comparing it to your previous size (M or L).
