5 in stock

Color: red

Helmet size 1: SR

The WARRIOR H CF100 RED is a hockey helmet designed for players who value a comfortable, adjustable fit during practice and games. Especially with regular use, it makes a big difference when the helmet fits well, doesn't pinch, and provides effective ventilation even during intense play.

- Adjustment: Custom Fit with two inserts for individual shape adjustment through brief heating
- Fit: Adjustable to the shape of the head for a secure and comfortable fit

Product information

- Inner Lining Material: EPP inner lining
- Protection Area: Internal construction serves as the foundation for helmet protection
- Adjustment: Side snap flaps for smooth, quick adjustment
- Ventilation: Integrated ventilation system for airflow around the head
- Color: red
- Sizes: SR in S, M, and L

The combination of thermally moldable inserts and quick width adjustment is particularly appealing to club players whose gear needs to perform reliably in everyday use without requiring lengthy readjustments every time. The EPP inner lining forms the foundation of the construction, while the integrated ventilation system helps keep air circulating around the head. This ensures the helmet remains comfortable to wear even during longer sessions.

For the best fit, choose the SR size in S, M, or L so that the helmet fits snugly all around.
