More than 10 in stock

Color: black

Helmet size 1: SR

WARRIOR H CF100 BLACK is a hockey helmet for players who don't want to leave a snug fit to chance during practice and games. Especially in everyday club play, when the helmet is put on and taken off regularly, a fit that's quick to adjust yet stays snug against the head is essential.

- System: Custom Fit with two adjustable inserts
- Adjustment: Inserts can be molded to the shape of the head by briefly heating them

Product information

- Construction: EPP inner lining as the foundation of protection
- Adjustment: Side snap flaps for smooth, quick adjustment
- Ventilation: Integrated ventilation system in the helmet shell
- Color: black
- Size: SR in helmet sizes S, M, and L

The adjustable inserts make all the difference in this model: The helmet can be tailored to fit the shape of your head more closely, which improves comfort during training as well as ensuring a secure fit during intense game situations. Added to this is the stepless adjustment via the side snap flaps, which is especially practical when you need to quickly adjust your gear for everyday use. The integrated ventilation system helps maintain a more comfortable climate under the helmet as the pace and intensity increase.

To help you choose, check the appropriate helmet size—S, M, or L—within the senior model.
