Helmet size 1: SR

The WARRIOR H CF100 NAVY is a hockey helmet designed for players looking for a perfectly adjustable fit during practice and games. Especially during regular ice time, a helmet makes a noticeable difference when it sits securely, can be adjusted quickly, and remains comfortable even at higher speeds. In navy, the model has a understated, sporty look.

- System: Custom Fit with two inserts for individual adjustment through brief heating
- Fit: Adjustable to the shape of the head for a secure fit and greater comfort

Product information

- Construction: EPP inner lining as the basis of the protective structure
- Adjustment: Side snap flaps for seamless and quick adjustment
- Ventilation: Integrated ventilation system to channel air around the head
- Sizes: Senior in S, M, and L
- Color: Navy

In everyday hockey, what matters most is that a helmet doesn't need to be constantly readjusted. That's exactly where this model comes in: The adjustable inserts help tailor the fit to the shape of your head, while the side adjustment options make adjustments quick and easy. This is particularly appealing to club players who appreciate ease of use between practice, games, and the locker room. At the same time, the integrated ventilation system ensures greater comfort as the game intensifies.

When selecting a size, it's worth taking a close look at the appropriate adult size—S, M, or L.
