Product information

Color: red

Helmet size 1: SR

WARRIOR HC COVERT CF100 RED is a hockey helmet designed for players who want a perfectly adjustable fit during practice and games. Especially with regular use, it makes a noticeable difference when the helmet sits securely, doesn't pinch, and can be adjusted to fit the shape of your head.

- System: Custom Fit with two adjustable inserts
- Adjustment: Brief heating to customize the shape to the head's contours
- Protection Base: EPP lining
- Adjustment: Smooth, quick adjustment via side snap flaps
- Ventilation: Integrated ventilation system for airflow around the head
- Color: red
- Sizes: S, M, L in SR

In hockey, it's not just the protection itself that matters, but also how securely the helmet stays in place during intense movements. The heat-moldable inserts help customize the fit to the shape of your head, while the width can be quickly adjusted using the side snap flaps. This is especially practical for everyday club use, when equipment needs to be worn regularly and kept properly fitted. Added to this is the integrated ventilation system, which promotes air circulation and improves comfort on the ice.

To make the right choice, check the corresponding SR size: S, M, or L.
