Product information

Color: black

Helmet size 1: SR

WARRIOR HC COVERT CF100 BLACK is a hockey helmet designed for players who want a perfectly adjustable fit during practice and games. Especially with regular use, it makes a noticeable difference when the helmet sits securely, can be quickly adjusted, and remains comfortable even at higher speeds.

- Product Type: Hockey Helmet
- Adjustment: Custom Fit with two inserts that can be molded to the shape of the head by briefly heating them
- Fit: Customizable for a secure fit and high comfort
- Construction: EPP inner lining as the foundation of the protective function
- Adjustment: Side snap flaps for smooth, quick adjustment
- Ventilation: Integrated ventilation system to channel air around the head
- Color: black
- Sizes: Senior in S, M, and L

In everyday hockey play, the advantage of this model is particularly evident when you don't have to constantly readjust your gear. The adjustable inserts help tailor the fit to the shape of your head, while the side adjustments allow for easy, precise fine-tuning of the fit. Added to this is the integrated ventilation system, which helps maintain a more comfortable climate inside the helmet during intense indoor or on-ice sessions.

When selecting a helmet, it's worth checking the appropriate adult size so that the adjustable design can truly deliver its full potential in terms of fit and comfort.
