Product information

Color: navy

Helmet size 1: SR

The WARRIOR CF80 NAVY is a helmet with a face guard designed for indoor hockey and floorball, intended for players looking for a well-coordinated head protection setup. The navy-colored design has a sporty yet understated look, while the combination of helmet and face guard makes it easy to head straight to practice or a game.

- Product Type: Helmet with face guard
- Intended use: Indoor hockey and training
- Construction: Helmet-face guard combination
- Color: navy
- Age group: SR
- Size: M or L
- Package contents: Helmet including face guard

Especially in everyday club life, it's helpful when the helmet and face guard come as a coordinated set. This simplifies equipment selection, particularly during regular training sessions or when joining an established team structure in adult sports. For players looking for a functional solution for indoor play or school and club sports, the focus remains on fit, field of vision, and a comfortable, stable fit during movement.

When making your selection, it's worth taking a close look at the appropriate helmet size within the senior line.
