Product information

Glove color: navy

The WARRIOR QR7 PRO NAVY JR is a junior hockey glove designed for young players looking for a direct grip and plenty of mobility on the ice. The Covert Taper Fit hugs the hand and wrist, keeping the glove compact during quick stick movements and preventing unnecessary loss of control.

- Fit: Covert Taper Fit, snug around the hand and wrist
- Cuff: AXYFLEX Cuff for unrestricted wrist movement
- Thumb: AXYFLEX Thumb for greater mobility and dexterity
- Comfort: BUTTERSOFTEEL with Lycra inserts and an anatomical stretch backhand
- Protection: TRI-LAM with 3 layers of foam
- Ventilation: Foam-mesh inserts
- Color: Navy
- Sizes: 13 inches, 14 inches, 15 inches

Regular training in particular highlights just how well-designed the flexible construction is: The open design at the wrist supports stick handling and shooting motion, while the thumb doesn't feel stiff. Added to this is a game-ready feel that feels pleasantly natural right from the first use. The three-layer foam construction clearly sets this glove apart from basic models and is designed for juniors who train several times a week or play for a club.

When it comes to junior gloves, it's worth taking a close look at the length to ensure that the back of the hand and the wrist are properly covered.
