Product information

Glove color: black

The WARRIOR QR7 PRO BLACK JR is a junior hockey glove designed for young players looking for a snug, flexible fit on the ice. The Covert Taper Fit hugs the hand and wrist, ensuring that stick handling, passes, and shots remain direct and controlled. In black, the glove has a clean, athletic look without distracting from what matters most.

- Fit: Covert Taper Fit, snug around the wrist and hand
- Cuff: AXYFLEX CUFF for plenty of wrist mobility
- Thumb: AXYFLEX THUMB to support mobility and dexterity
- Comfort: Buttersoft Feel with Lycra inserts and an anatomically shaped stretch backhand
- Protective Construction: TRI-LAM with 3 layers of foam
- Ventilation: Foam-mesh inserts
- Sizes: 13 inches, 14 inches, 15 inches

Especially in junior hockey, a glove makes all the difference when it comes to balancing mobility and protection. The flexible cuff aids in quick wrist movements, while the flexible thumb doesn't unnecessarily restrict the feel of the stick. Added to this is a comfortable, game-ready fit that's particularly noticeable during regular practice, because the glove works naturally with your hand right from the start instead of feeling stiff. The multi-layer foam construction clearly sets this model apart from simple, basic designs.

When selecting a size, choose the correct inch size to ensure the glove fits snugly and maintains the hand's mobility.
