Product information

Glove color: navy

The WARRIOR QR6 PRO NAVY SR is an ice hockey glove designed for ambitious club players and regular practice, combining nimble hand movement, direct stick contact, and reliable protection. The Covert Taper fit conforms closely to the natural shape of the hand and remains compact even during fast movements.

- Fit: COVERT TAPER FIT for a snug, natural shape
- Cuff: AXYFLEX CUFF for unrestricted wrist movement during stick handling and shooting
- Thumb: AXYFLEX THUMB with foam-mesh inserts for greater mobility
- Protection: TRI-LAM with three layers of foam and plastic inserts
- Feel: Stretchable back of the hand and Lycra inserts for an instant, game-ready feel
- Palm: PRO PALM X made of Ax Suede with embossed grip
- Color: navy
- Size: 13 inches, 14 inches, or 15 inches

On the ice, the combination of a movable cuff, flexible thumb, and elastic construction is particularly noticeable when making quick passes or keeping a tight grip on the stick. At the same time, the glove is designed to better absorb hard impacts during regular play than simpler models. The palm combines a direct feel for the stick with a durable design built for frequent practice sessions.

When selecting a size, choose one that ensures a secure fit and allows the fingers to sit snugly in the finger channels.
