Product information

Glove color: maroon

The WARRIOR QR6 TEAM MAROON JR is a junior hockey glove designed for young players looking for a flexible fit with noticeable protection during practice and games. The COVERT TAPER FIT follows the natural shape of the hand, ensuring that stick feel and control remain close to the hand even in fast-paced situations.

- Fit: COVERT TAPER FIT for a snug, natural fit
- Thumb: AXYFLEX THUMB for greater mobility
- Mobility: anatomically stretchy back of the hand with responsive Lycra inserts
- Ventilation: Foam-mesh inserts
- Protection: DUO-LAM made of HD VN and medium-density foam with plastic inserts
- Protected areas: Back of the hand, cuff, and fingers
- Palm: PRO PALM for sensitivity and durability
- Sizes: 10 inches, 11 inches, 12 inches

Especially for junior players, it's important that a glove doesn't feel stiff. Here, the flexible construction—with its flexible thumb and stretchy inserts—works together to ensure that stick control, passing, and shooting remain as natural as possible. At the same time, the padding is lightweight and reinforced in key areas, providing extra support during regular ice hockey play. The maroon version blends seamlessly into the team kit or a coordinated gear set.

When choosing a size, make sure to select the correct inch size so the glove fits snugly and finger mobility is maintained.
