Product information

Glove color: black/red/white

The WARRIOR QR6 TEAM BLACK/RED/WHITE JR is a junior hockey glove designed for young players who need a combination of mobility, grip, and reliable protection during daily practice and games. The Covert Taper Fit follows the natural shape of the hand, ensuring a direct feel for the stick without unnecessarily constricting the hand.

- Fit: Covert Taper Fit, closely follows the natural shape of the hand
- Thumb: AXYFLEX thumb for greater flexibility
- Mobility: anatomically stretchy back of the hand with responsive Lycra inserts
- Ventilation: Foam-mesh inserts
- Protection: DUO-LAM with two layers of foam and inserts on the back of the hand, cuff, and fingers
- Palm: PRO PALM for feel and durability
- Color: black/red/white
- Size: 10 inches, 11 inches, or 12 inches

Especially for junior players, it makes a big difference when a glove doesn't need to be broken in first. Thanks to the flexible construction with an AXYFLEX thumb and stretch zones, the hand remains free to move during passing, shooting, and stick handling. At the same time, the design remains lightweight without sacrificing essential protection for the fingers and back of the hand. The PRO PALM palm offers a balanced combination of puck feel and everyday practicality, which is noticeable during regular club practice.

When choosing a size, refer to your usual junior size to ensure a proper fit and freedom of movement.
