Product information

Glove color: black/red/white

The WARRIOR QR6 TEAM BLACK/RED/WHITE SR is an ice hockey glove designed for senior players who want to combine a direct feel for the stick with a flexible fit during practice and games. The COVERT TAPER FIT follows the natural shape of the hand, ensuring the glove fits snugly without unnecessarily restricting mobility.

- Fit: COVERT TAPER FIT, adapted to the natural shape of the hand
- Thumb: AXYFLEX thumb for greater mobility
- Mobility: anatomically stretchy back of the hand with responsive Lycra inserts
- Ventilation: Foam-mesh inserts
- Protection: DUO-LAM with HD VN, medium-density foam, and plastic inserts
- Palm: PRO PALM for sensitivity and durability
- Color: black/red/white
- Sizes: 13 inches, 14 inches

On the ice, this design really shines when quick hands are needed: during passes, shots, and tight one-on-one situations. The flexible thumb design and stretchy back of the hand support natural stick handling, while the multi-layered construction on the back of the hand and fingers cushions the impact of shots and contact. This design is particularly appealing to club players who train regularly and aren't looking for a stiff, standard model.

When choosing between 13 and 14 inches, the senior size you've already worn serves as a good guide.
