Product information

Glove color: navy

The WARRIOR QR6 PRO NAVY YT is a hockey glove designed for young players who need plenty of mobility in their hands. Especially during practice and games, a fit that allows for a clean grip on the stick without compromising protection makes all the difference. This is exactly where the COVERT TAPER FIT comes in: it closely follows the natural shape of the hand, providing a direct feel when handling the stick.

- Fit: COVERT TAPER FIT for a natural, controlled hand position
- Cuff: AXYFLEX CUFF for free movement at the wrist
- Thumb: AXYFLEX THUMB with foam-mesh inserts
- Protection structure: TRI-LAM with three layers of foam and plastic inserts
- Feel: Lycra inserts and stretchy back of the hand for a responsive, broken-in feel
- Palm: PRO PALM X made of Ax Suede with embossed grip
- Color: navy
- Size: 8 inches or 9 inches

In everyday hockey play, this model's strength really shines when quick hands are needed. The movable cuff and flexible thumb allow for unrestricted shooting and passing motions, while the multi-layered construction on the back of the hand cushions shots and stick contact. Added to this is a palm that combines stick feel with a durable design. For young club players and parents who prioritize mobility and solid protection in their equipment, this is a perfect combination.

When selecting a glove, check the appropriate size—8 or 9 inches—to ensure a good fit and freedom of movement.
