Product information

Glove color: navy

The WARRIOR QR7 TEAM NAVY SR is an ice hockey glove for senior players that clearly prioritizes flexibility and a snug, secure grip. Especially during regular practice and games, you'll appreciate a fit that closely follows the contours of your hand without restricting movement during quick stick maneuvers.

- Fit: Covert Taper Fit with a snug fit at the wrist and hand
- Cuff: AXYFlex Cuff for free movement at the wrist
- Thumb: AXYFlex Thumb for greater mobility and dexterity
- Feel: Buttersoft Feel with responsive Lycra inserts
- Back of the hand: anatomically shaped stretch construction
- Protection: Foam-mesh inserts designed for a flexible, comfortable fit
- Color: navy
- Size: 13 inches or 14 inches

The combination of the Covert Taper Fit, a flexible cuff, and a flexible thumb ensures that the glove works seamlessly during stickhandling, passing, and shooting. The direct feel is particularly noticeable to players who hold their stick close to their body and want to maintain precision even at high speeds. At the same time, the glove is designed to provide protection during everyday hockey play without unnecessarily restricting wrist movement.

When choosing senior gloves, it's worth considering hand length and your preferred fit—whether you prefer a snug fit or a slightly roomier one.
