The WARRIOR QR7 TEAM RED SR is an ice hockey glove designed for players who want a direct feel for the stick during practice and games without sacrificing wrist mobility. The snug Covert Taper Fit hugs the hand and wrist, supporting fast, controlled movements in the red version.

- Fit: Covert Taper Fit, form-fitting around the hand and wrist
- Cuff: AXYFlex Cuff for unrestricted wrist movement
- Thumb: AXYFlex Thumb for greater mobility and dexterity
- Feel: Buttersoft Feel with responsive Lycra inserts
- Back of the hand: anatomically shaped stretch construction
- Protection: Protection during play with a focus on mobility and stick control
- Size: 13 inches or 14 inches
- AgeGroup: SR

This design really makes a difference in everyday play on the ice, especially for club players who rely heavily on their hands. During stickhandling, passing, and shooting, the wrist remains flexible, while the glove fits snugly against the hand, promoting a precise feel. The movable thumb and flexible inserts ensure that the glove doesn't need to be broken in—it feels ready for play right from the start.

When choosing between 13 and 14 inches, the size should be selected so that the hand and wrist are fully covered without restricting mobility.
