Product information

Glove color: black

The WARRIOR QR7 TEAM BLACK SR is an ice hockey glove designed for senior-level players who are looking for a direct feel on the stick and plenty of wrist mobility during practice and games. The Covert Taper Fit hugs the hand and wrist closely and follows the natural shape of the hand, which is especially noticeable during quick changes of direction, tight puck handling, and when taking shots.

- Fit: Covert Taper Fit, form-fitting around the hand and wrist
- Cuff: AXYFlex Cuff for unrestricted wrist movement
- Thumb: AXYFlex Thumb for greater mobility and dexterity
- Feel: Buttersoft Feel with responsive Lycra inserts
- Back of the hand: anatomically shaped stretch construction
- Protection: Protection combined with mobility during gameplay
- Color: black
- Size: 13 inches or 14 inches

In everyday hockey play, this model's strengths really shine when your hands need to be active. The flexible cuff allows for free stick handling without unnecessarily restricting movement at the wrist. In addition, the flexible thumb provides more freedom of movement for precise maneuvers, while the tighter fit ensures a precise, close-to-the-skin feel. Club players in particular—who train regularly and are looking for a glove with direct feedback—will find a sport-tuned design in black here.

The senior version, available in 13- or 14-inch sizes, serves as a clear guide for selecting the right size.
