Product information

Glove color: black/red/white

The WARRIOR QR7 TEAM BLACK/RED/WHITE SR is an ice hockey glove designed for players who want a direct feel for the stick during practice and games without sacrificing wrist mobility. The Covert Taper Fit hugs the hand and wrist, supporting controlled, natural stick handling.

- Fit: Covert Taper Fit, snug around the hand and wrist
- Cuff: AXYFlex Cuff for plenty of wrist mobility
- Thumb: AXYFlex Thumb for greater mobility and dexterity
- Feel: ButterSoft Feel with responsive Lycra inserts
- Back of the hand: anatomically shaped stretch construction
- Color: black/red/white
- Sizes: 13 inches, 14 inches
- Model: SR

This design really shines during regular club practice: The snug fit keeps the glove close to the hand, while the cuff and thumb move freely during stick handling, passing, and shooting. As a result, the glove feels flexible and ready to play right from the start, rather than stiff or bulky. The foam-mesh inserts enhance this agile feel and support precise stick control in dynamic game situations.

When choosing a size, it's especially important to select the right fit—13 or 14 inches—so that the fit and range of motion suit your hand.
