Glove color: black

WARRIOR QR7 TEAM BLACK JR is a junior hockey glove designed for young players looking for a direct stick feel and plenty of mobility on the ice. The Covert Taper Fit provides a snug fit around the wrist and hand, follows the natural shape of the hand, and supports controlled stick handling during passing, shooting, and puck control.

- Fit: Covert Taper Fit, form-fitting around the hand and wrist
- Cuff: AXYFlex Cuff for unrestricted wrist movement
- Thumb: AXYFlex Thumb for greater mobility and dexterity
- Feel: Buttersoft Feel with responsive Lycra inserts
- Back of the hand: anatomically shaped stretch construction
- Protection: Protection combined with a flexible design
- Color: black
- Sizes: 10 inches, 11 inches, 12 inches

Especially for junior players, the right glove makes all the difference when it comes to keeping technique and feel in sync. The flexible cuff helps ensure the wrist isn't unnecessarily restricted during stick handling and shooting, while the flexible thumb smoothly follows even the finest movements. Combined with the elastic inserts, this creates a ready-to-play feel that's especially noticeable during regular training and intense sessions.

For a snug fit, choose a size that ensures the glove sits securely while still allowing the hand to move freely.
