7 in stock

Goalkeeper color: black

Goalkeeper size: SR

The WARRIOR X4 PRO+ SR is a chest-and-arm protector designed for senior-level goalkeepers who are looking for a flexible, easily adjustable protective solution for both practice and games. The Ritual X4 generation focuses on the critical areas: greater stability in the upper body, protection for the shoulders and upper arms, and a design that doesn't unnecessarily restrict movement during lateral shifts and active glove work.

Product information

- Product Type: Senior Goalie Chest & Arm Protector
- ShoulderProtection: HyperComp-reinforced Shoulder Floaters
- Chest Area: Block design with additional focus on protection
- Adjustment: Seiter Velcro straps and removable front and side extensions
- Upper Arm: Shockshield bicep protection
- Elbows: AxyFlex Light for high mobility
- Arm cap: HyperComp cap with X-Foam reinforcement
- Variant: black, size SR, player sizes S through XL

Goalies who play regularly for a club especially benefit when protection and freedom of movement work seamlessly together. The reinforced shoulder elements and compact chest design provide support against hard shots from close range, while the flexible elbow construction allows noticeably more freedom during rebounds, rotations, and quick recovery movements. Added to this is the adjustable front and side panels, which are particularly helpful when tailoring the fit to your body shape and the rest of your goalie gear.

When selecting a size, it's worth taking a close look at the appropriate size range—from S to XL—to ensure the protector fits snugly around the upper body.
