2 in stock

Goalkeeper color: white

Goalkeeper size: SR

Body protection size: SR

WARRIOR WARRIOR G6 PRO+ SR is a goalkeeper leg guard designed for regular use on the ice, when every movement in the butterfly position needs to be precise. CoverEDGE+ technology is designed to provide maximum coverage, while AIRslide 3.0 noticeably aids lateral movement on the ice. This combination of glide performance, control, and adjustable fit is especially important for ambitious senior-level goalies.

Product information

- Technology: CoverEDGE+ for maximum coverage
- Glide system: AIRslide 3.0 for fast gliding in the butterfly position
- Leg Channel: Redesigned for a snug fit around the shin and improved control of the shin guard
- Adjustability: Optimized knee and calf straps with expanded adjustment options
- Benefits: Balanced combination of protection, mobility, and comfort
- Size: SR
- Color: white

On the ice, the difference is most noticeable in game situations involving frequent changes of direction and repeated butterfly movements. The redesigned leg channel helps keep the pad snug against the leg without losing the feel for your position. Combined with the more adjustable straps, the setup can be tailored more precisely to your own style—which is just as important in practice as it is in a game.

For SR-sized goalie pads, it's worth taking a close look at the fit and your personal strap setup.
