Goalkeeper color: black

Goalkeeper size: SR

The WARRIOR X4 E+ SR is a chest and arm protector for goalies that seamlessly combines mobility and coverage. The Ritual X4 series builds on the approach of the earlier 3X line and is designed for goalies looking for a lightweight, flexible pad with solid coverage for both practice and games. Available in black and in a senior size, this model fits right into the routine of everyday club play.

Product information

- Technology: AxyFlex construction for greater upper-body mobility

- Material: Nylon and mesh on the exterior
- Ventilation: Breathable design
- Adjustability: Various adjustment options
- Size: SR, shooters in sizes S through XL
- Color: black

On the ice, the difference is most noticeable when quick movements from a stationary position are required. The flexible construction ensures that the chest protector doesn't restrict movement unnecessarily, while the generous coverage in the shoulder area complements the pad specifically for goalies. The combination of lightweight foam construction, durable outer material, and breathable zones ensures the entire package remains comfortable to wear, even during longer practice sessions or when the pace of the game remains high.

To ensure the right fit, it's worth taking a close look at the desired size—ranging from S to XL—within the senior category.
