Product information

Goalkeeper color: black

Goalkeeper size: SR

WARRIOR X5 PRO BLACK SR are goalie pants designed for senior goalies seeking the right balance of protection and mobility during practice and games. The contoured waist with segmented hip and kidney protection fits snugly without unnecessarily restricting movement in the goal. Available in black and designed for goalies in sizes L or XL, this model fits well into gear sets that are meant to perform reliably without being purely professional-grade.

- Product Type: Goalie pants for senior goalies
- Protection area: segmented hip and kidney protection with contoured waist
- Construction: Flat thigh area for maximum coverage
- Technology: AxyCut on the lower outer edge to prevent snagging on leg pads
- Adjustment: Internal strap system with dual adjustment options
- Compatibility: Easily removable for a clean fit around the chest and arms
- Fastening: Nylon loops and sturdy buttons for suspenders
- Size: SR, fits goalkeeper sizes L and XL

On the ice, the difference is most noticeable during transitions: when closing the pads, when crouching low, and during lateral movements in the goal. The AxyCut ensures a seamless fit with the leg pads, while the internal strap system allows for precise adjustment of the fit. This design is particularly well-suited for club goalies who train regularly and are looking for sturdy, well-designed goalie pants.

For a proper fit, the pants should be matched with existing pads in sizes L or XL.
