Product information

Goalkeeper color: black

Goalkeeper size: JR

The WARRIOR X5 BLACK JR is a pair of goalie pants designed for youth players that strikes the right balance between protection and mobility. Especially during regular practice and first games, it's important to have gear that fits reliably, works seamlessly with the rest of the goalie setup, and doesn't restrict movement unnecessarily.

- Product Type: Junior Goalie Pants
- Protection: Contoured waist with segmented hip and kidney protection
- Thigh area: Flat construction for maximum coverage
- Technology: AxyCut on the lower outer edge
- Benefits: Less snagging on leg pads, clean closure in the 5-hole area
- Adjustment: Internal strap system with dual adjustment options
- Compatibility: Easily removable for insertion in the chest and arm areas
- Suspenders: Nylon loops and durable buttons
- Color: black
- Size: JR, Goalie L/XL and S/M

In a goalie's day-to-day routine, the difference often lies in the small details: The segmented protective zone follows movements more effectively, while the flat thigh construction covers a large area. The AxyCut design is particularly useful because it improves compatibility with leg pads and causes less interference in the area between the knees. Added to this is an internal strap system that keeps the fit secure and adjustable.

When making your selection, it's worth checking the appropriate junior size and the desired protection area.
