Product information

Textile dye: black

Textile size-1: SR

The WARRIOR SWEATER AURUM BLACK SR is a warm team and practice sweater designed for everyday hockey life off the ice—whether you're on your way to the arena or taking a break between practices and games. The brushed terry cloth fabric feels soft, keeps you comfortably warm, and remains comfortable even during long days at the club.

- Material: 58% cotton, 42% polyester
- Construction: brushed terry cloth, soft and warm
- Ventilation: lightweight mesh fabric at the neck
- Finish: elastic ribbed cuffs, hem, and collar
- Details: gold-colored logo and appliqués using heat transfer printing
- Color: black
- Size: SR, available in S through XXXL

Club players and teams, in particular, need a sweatshirt that fits reliably and is easy to wear—whether after warm-ups, while traveling, or between practice sessions. The fabric blend combines a comfortable feel with low-maintenance, everyday practicality. The lightweight mesh at the neck provides breathability where heat can quickly build up, while ribbed hems ensure that the sleeves, collar, and hem fit snugly.

In black with gold-colored details, this model has a clean, sporty look without being too flashy for everyday hockey. The SR classification and the available size range from S to XXXL make it easy to choose the right fit.
