Product information

Textile dye: thunder

Textile size-1: SR

The WARRIOR SWEATER AURUM NAVY SR is a warm hockey sweater designed for practice, travel, and everyday club activities. The brushed terry cloth feels soft, keeps you comfortably warm, and is practical for everyday use—whether you're on the ice, taking a break between sessions, or heading to the locker room.

- Material: 58% cotton, 42% polyester
- Construction: comfortable, warm, and soft brushed terry cloth
- Ventilation: lightweight mesh fabric at the neck
- Finish: elastic ribbed cuffs, hem, and collar
- Details: gold logo and appliqués using heat transfer printing
- Color: thunder
- Size: SR, available in S through XXXL

This style is particularly well-suited for club players and teams who want a coordinated look both on and off the ice. The fabric blend combines comfort with easy-care, everyday practicality, while the mesh at the back of the neck provides relief where heat can quickly build up. The ribbed hems ensure the sweater fits neatly, whether in the arena, on the way to practice, or after the game.

The SR version helps with selection by clearly categorizing it within the adult range.
