Club players and teams in particular appreciate a shirt like the WARRIOR T-SHIRT ALPHA X TEE SR, where mobility and comfort remain consistent even during longer training sessions. The raglan cut allows for free arm movement, which is noticeably comfortable when shooting, passing, and making quick changes of direction. The mesh back provides additional airflow without compromising the sporty, clean look in black. The slightly extended hem also ensures a flattering fit while in motion.

The SR version serves as a guide for the senior size range; sizes range from S to XXXL.
