Textile dye: black

Textile size-1: SR

WARRIOR POLO ALPHA X BASE BLACK SR is a polo shirt designed for practice, team appearances, and a casual trip to the arena. The Alpha X Base version is primarily designed for club players and teams who prefer a clean, sporty top for everyday hockey and favor a subtle black color scheme.

- Product Type: Polo Shirt
- Model: Alpha X Base
- Uses: Training, everyday club wear, and team uniforms
- Age group: SR
- Color: black
- Sizes: S, M, L, XL, XXL, XXXL
- Fit: Regular polo cut for everyday athletic wear

A polo shirt like this is especially suitable for situations where you don't want to be constantly changing clothes between ice time, the team bus, the locker room, and club events. The cut of a polo shirt looks neater than a classic T-shirt while still being suitable for athletic activities. For coaching staff, teams, or players who value a uniform look off the field, this is a great choice. The black version also pairs easily with other team apparel.

When choosing a size, refer to your usual top size in the adult range.
