The WARRIOR PULLOVER COVERT HYBRID BLACK SR is a long-sleeved top designed for everyday hockey life, when an extra layer is needed between the locker room, practice, and the trip to the arena. At WARRIOR, the Covert Hybrid line is designed with a sports-focused approach, making it ideal for club players who want to keep their gear functional and uncomplicated.

- Product Type: Pullover / Long-Sleeve Top
- Line: Covert Hybrid
- Uses: Hockey practice, team wear, warm-ups, and leisure
- Sleeve length: long sleeves
- Color: black
- Size: SR in S, M, L, XL, XXL, and XXXL
- Fit: Senior sizes for adults

Especially in club settings, a long-sleeved top is often just the thing when you need a little extra warmth before hitting the ice or don't want to reach for a heavy jacket right after practice. The black version has a simple, understated look and pairs easily with existing team and practice gear. As part of the senior line, this model is primarily designed for adult players and teams looking for a clean, athletic addition to their hockey training and off-ice activities.

The standard senior sizing makes selection easy; for a bit more freedom of movement, depending on the activity, choosing a larger size that fits over shoulder pads may be a good idea.
