The full-length zipper opens quickly when it gets warm in the arena, and the ribbed hems help keep the fit neat even when you're moving. The black/khaki version has a sporty, understated look and pairs well with training gear and team uniforms. For adults who play hockey regularly, this is a versatile top for warm-ups, the trip to practice, or relaxing after the session.

The SR version is designed for adults; sizes range from L to XXXL to help you find the right fit.
