- Details: Tone-on-tone W logo on the lower back, printed logos

- Size: SR, available in S through XXXL

For club players and teams in particular, a presentation jacket needs to make a cohesive statement without compromising on functionality. The smooth polyester fabric layers effortlessly over training gear, while the high collar provides extra warmth on cooler days around the rink. The side pockets hold small items that need to stay within easy reach while on the go. The contrast panels on the shoulders and sleeves give the jacket a sporty look while keeping it clean and understated.

The SR version serves as a guide for the senior range; the desired fit can be selected from sizes S through XXXL.
