The WARRIOR HOODY SPORTS GRAY SR is a classic hockey hoodie designed for practice, travel, and time in the locker room. Especially in everyday club life, it's important to have a top that fits comfortably, keeps you warm, and remains easy to care for even after multiple wears. The gray version combines a sporty, simple look with signature details like a kangaroo pocket, hood, and Warrior branding.

The fabric in the gray colorway combines the soft feel of cotton with easy-care polyester, which is especially practical for everyday hockey use. The jersey fleece lining is comfortable to wear in cooler indoor arenas, on the way to practice, or during breaks between sessions. The ribbed cuffs ensure a clean fit without stretching out quickly during movement. This makes the model a great choice for club players, coaches, and teams looking for a comfortable top for regular use.

For SR sizes, choose between a sporty, close-fitting look or a slightly looser fit over performance clothing, depending on your preferred fit.
