Product information

Textile dye: gray

Textile size-1: SR

The WARRIOR LS SHIRT SPORTS GRAY SR is a long-sleeved shirt designed for training, warm-ups, and everyday use in hockey. Especially in club settings, it's important to have clothing that fits comfortably, is easy to mix and match, and remains functional even after frequent wear. The gray version is made from a jersey fabric blend of cotton and polyester that feels light against the skin.

- Product Type: Long-sleeve shirt for sports and leisure
- Material: 57% cotton, 43% polyester in the gray version
- Construction: Cotton jersey for lightweight comfort
- Neckline: Round neck
- Collar: Elastic and ribbed
- Detail: Großes screen-printed chest logo
- Extra: Woven Warrior patch
- Sizes: SR in L, M, S, XL, XXL, and XXXL

In everyday hockey life, a shirt like this is especially useful when no elaborate gear is required between the locker room, practice, and the trip home. The jersey fabric is lightweight, the ribbed collar retains its shape, and the crew neck ensures a classic fit. For club players and teams looking for a simple long-sleeve shirt with a clean brand look, this model fits well into their off-ice gear.

When selecting a size, check the recommended SR size to ensure the shirt fits comfortably during warm-ups or in the arena.
