Product information

Textile dye: black

Textile size-1: JR

The WARRIOR SHIRT L/S COMP BLACK JR is a long-sleeved compression shirt for young hockey players who need a snug, functional base layer during practice or under their equipment. The form-fitting design hugs the torso without shifting unnecessarily during quick movements.

- Technology: WarTech Moisture-Wicking System
- Material: 86% polyester, 14% spandex
- Fit: close-fitting compression shirt
- Construction: long sleeves with mesh fabric
- Training benefits: helps keep you dry and comfortable
- Color: black
- Sizes: JR in S, M, L, and XL

The combination of elastic material and moisture-wicking properties really shines during intense indoor or outdoor training sessions. The shirt fits snugly, follows your movements during sprints, changes of direction, and stick work, and doesn't add unnecessary bulk when worn under a jersey or protective gear. The mesh fabric helps maintain a comfortable body temperature as training sessions get longer and more demanding. For junior players and parents looking for functional team and training apparel, this is a well-designed staple for everyday hockey.

Because of the snug fit, it's worth taking a quick look at the appropriate JR size, especially if the shirt will be worn under other gear.
