Product information

Textile dye: black

Textile size-1: SR

WARRIOR HOSE COMP BLACK SR are form-fitting performance pants designed for hockey practice and games when a snug, flexible fit under your gear is required. The stretchy fabric hugs the body without adding unnecessary bulk and ensures a comfortable fit even during intense sessions.

- Technology: WarTech Moisture-Wicking System
- Material: 86% polyester, 14% spandex
- Fit: form-fitting
- Construction: mesh fabric
- Waistband: low-rise waistband for comfort and a secure fit
- IntendedUse: Hockey practice and games
- Color: black
- Sizes: SR in S, M, L, XL, XXL

Especially for club players who are on the ice or in the rink several times a week, the combination of stretch and moisture-wicking properties makes a noticeable difference in everyday use. The pants stay close to the body, allow for free movement, and don't add unnecessary bulk under other gear. The mesh-like fabric promotes a breathable feel, while the lower waistband makes the fit more comfortable, especially when moving.

When choosing a pair, consider the desired snug fit so the pants sit neatly under the rest of your hockey gear.
