Product information

Textile dye: black

Textile size-1: SR

WARRIOR SHORT COMPRESSION 1/2 TIGHT SR BLACK is designed for intense workouts on the ice, in the gym, or during athletic training. These short compression pants fit snugly against the body, support every movement with 4-way stretch, and remain comfortable to wear even during quick changes of direction.

- Product Type: 1/2 Tight Compression Shorts
- Functionality: Compression fit with 4-way stretch
- Training benefits: Supports muscles during exertion and recovery
- Comfort: Flat hems and soft-touch seams to prevent chafing
- Ventilation: Jacquard knit in heat-prone areas for body temperature regulation
- Material: 80% polyamide / 20% spandex, mesh inserts 85% polyamide / 15% spandex
- Color: black
- Size: SR in S, M, L, XL, and XXL

For club players and ambitious training groups in particular, every detail of their gear matters. The snug fit stays securely in place without restricting movement, and the mesh inserts provide relief in areas where intense training sessions and off-ice workouts generate a lot of heat. Flat hems and soft seams make a noticeable difference in everyday hockey play, as they reduce friction when worn under pants or protective gear.

To achieve the desired compression effect, choose a size that fits close to the body.
