Textile dye: navy

WARRIOR WARRIOR SOCKS SPORT NAVY 3-PAK is a practical choice for regular hockey practice and everyday club activities. Especially when socks are washed frequently and worn several times a week, comfort and reinforced areas in the right places are essential. That's exactly what this 3-pack in navy is designed for.

- Material: 87% polyester, 10% cotton, 3% spandex
- Construction: Reinforced heel and toe
- Comfort: Ring-spun cotton for a soft feel
- Fit: stabilized footbed
- Contents: 3 pairs
- Color: navy
- Sizes: M or L

In hockey, shoes are subjected to high levels of stress, particularly at the heel and the front of the toes. The reinforced areas help better absorb this stress during everyday activities such as training, changing, and matches. At the same time, the blend of polyester, cotton, and spandex offers a good balance of shape retention, softness, and a stretchy fit. The stabilized footbed provides a more secure feel inside the shoe, which is especially comfortable for club players and teams with multiple practice sessions per week.

When selecting a size, it's worth choosing the appropriate size—M or L—so that the socks fit snugly in your hockey shoes and don't slip unnecessarily.
