WARRIOR ALPHA X PERFORMANCE JR PANTS are training pants designed for young hockey players, offering simple comfort and everyday practicality for club activities. The knitted polyester fabric is comfortable to wear, while the elastic waistband with an internal drawstring keeps the pants securely in place even during running and warm-up exercises. In black, the pants have a understated look and pair easily with team uniforms.

Especially for youth players, it's important to have gear that's quick to put on before practice and just as easy to take off after ice or indoor practice. The zippers at the leg openings make it easier to pull the pants over your skates. The zippered side pockets are handy for small items on the way to the locker room or to practice. Thanks to the combination of lightweight material and an adjustable waistband, this model is well-suited for regular team practices.

To help you choose, check out the JR sizes XS through XL to ensure the pants aren't too tight or too loose, depending on your preferred fit.
