Product information

Textile dye: black

The WARRIOR PARKA 3-IN-1 COVERT BLACK SR is a well-designed jacket for everyday hockey life, when the trip to the arena, waiting before practice, or being on the sidelines bring changing conditions. The 3-in-1 design with a removable inner jacket offers noticeably more flexibility than a standard team jacket.

- Technology: Wartech for retaining body heat and wicking away sweat and moisture
- Construction: 3-in-1 system with three wearing options thanks to the removable inner jacket
- Material: 100% polyester, woven and knitted
- Inner jacket: lightweight, with stretch sleeves, ribbed collar, and cuffs
- Sustainability content: Inner jacket lining made with 10% recycled material
- Closure: waterproof 2-way zipper
- Pockets: two front zippered pockets and outer pockets with Velcro closures
- Color: black, senior sizes S through XXXL

This combination really shines for club players, coaches, or staff who often spend extended periods of time around the ice or in cooler areas of the arena. The outer jacket provides parka-style protection, while the lighter inner jacket can be worn separately—for example, during warm-ups or on the way home after practice. Stretch fabric on the sleeves enhances mobility without making the jacket feel stiff. The tone-on-tone W logo on the back and the large Warrior lettering on the sleeve add sporty yet understated details.

When selecting a size, choose the desired senior size between S and XXXL.
