WARRIOR WARRIOR SHORTS AURUM TECH BLACK JR are designed for everyday youth hockey. Shorts must, above all, provide freedom of movement during practice and games, fit comfortably, and move easily with the player. That's exactly where this junior model in black fits in.

- Product Type: Hockey shorts for training and team wear
- Agegroup: JR
- Model: Aurum Tech
- Color: black
- Sizes: XS, S, M, L, XL
- Fit: Short athletic pants for unrestricted leg movement
- Uses: Off-ice training, warm-ups, everyday club activities, and recreational hockey

It's especially important for juniors that shorts don't restrict movement while running, warming up, or during dynamic exercises. The Aurum Tech model is a great fit for young players looking for a simple, sports-oriented solution for indoor play, summer training, or the commute to practice. The black color scheme also integrates easily into existing team gear. It's easy for parents to choose, too: a functionally designed junior short for regular athletic use without unnecessary extras.

To find the right fit, check the desired size within the junior size range from XS to XL.
