Textile dye: black

Textile size-1: JR

WARRIOR SHORT ALPHA X TRAINING BLACK JR is a training short for young hockey players, designed to provide uncomplicated freedom of movement during practices on the ice, in the arena, or during athletic training. The black design has a simple look and pairs easily with the rest of the team or club's uniforms.

- Product Type: Hockey training shorts
- Agegroup: JR
- Usage: Training, off-ice, and indoor sessions
- Fit: Short athletic pants with unrestricted movement
- Color: black
- Sizes: XS, S, M, L, XL

Especially for young athletes, it's important to have gear that keeps up with training and doesn't create unnecessary distractions. Shorts like these are ideal for running drills, warm-ups, and dry-land technique sessions when legs and hips need to move freely. This is especially helpful in everyday club life, when there's often little time between the ice, the locker room, and the next session, and a simple, sports-appropriate solution is needed.

When selecting a size, check the recommended junior size to ensure the shorts fit loosely during training and don't restrict movement.
