Product information

Textile dye: black

The WARRIOR Alpha X Presentation is a lightweight team jacket designed for practice, travel, and game day. Available in black and in a senior size, it fits right into everyday club life when a clean, functional outer layer is needed. The water-repellent polyester provides protection in changeable weather without unnecessarily restricting freedom of movement.

- Material: 100% polyester
- Feature: water-repellent finish
- Construction: Raglan sleeves for unrestricted shoulder movement
- Closure: full-length front zipper
- Pockets: two zippered side pockets
- Details: Heat-transfer logo on the chest, accents on shoulder and arm seams
- Fit: extended back hem
- Sizes: UK 8 to UK 18

This jacket is especially practical for club players and teams when an extra layer is needed quickly between the gym, locker room, and outdoor areas. The raglan construction allows for natural movement in the shoulder area, ensuring comfort when worn over training clothes. The extended hem provides slightly better coverage for the back, while zippered pockets securely store small items.

When choosing a size, check the UK size chart—especially if the jacket will be worn over other team or training clothing.
