Especially in everyday club life, clothing that's practical and doesn't restrict movement is essential. This junior jacket is perfect for young players who want to quickly throw something on before practice or avoid getting chilled right after a session. The two zippered pockets are handy for small items on the way to the locker room or the gym, while the black design keeps things pleasantly simple in a team setting.

When selecting a size, be sure to check the desired junior size within the available options ranging from XS to XL.
