In club activities, details that make a noticeable difference in everyday life are especially important. The elastic waistband with drawstring ensures a secure fit without feeling tight, while the zippers at the leg openings make it easier to put on and take off the pants over socks or indoor shoes. The mesh lining ensures a comfortable fit, and the zippered side pockets keep small items within easy reach on the go. This makes these pants a great choice for players and teams looking for functional, understated hockey pants for training, travel, and off-field appearances.

When choosing a size, refer to the UK size chart.
