Textile dye: black

The WARRIOR POLO ALPHA X PRESENTATION SR is a classic team and presentation polo shirt designed for everyday hockey life off the ice or in the arena. Ideal for clubs, staff, and players looking for a uniform look during training, game days, or travel, this model combines a polished look with everyday comfort.

- Material: 57% cotton, 43% polyester
- Collar: Ribbed polo collar
- Cuffs: Ribbed with color accents along the edges
- Closure: 2-button placket
- Logo: Warrior heat transfer on the front of the chest
- Color: black
- Sizes: UK 8 to UK 18

The fabric blend combines the comfortable feel of cotton with the low-maintenance properties of polyester. This makes it ideal for regular use in a club setting, where a top needs to not only look neat but also be easy to wear. The ribbed collar and cuffs give the polo a clean silhouette, while the color accents add a subtle, sporty touch. The heat-transfer chest logo keeps the front clean and uncluttered.

When selecting a size, check the UK size chart to ensure the polo fits just right for team appearances, travel, or coaching from the sidelines.
