Textile dye: black/khaki

Textile size-1: JR

The WARRIOR COVERT STADIUM JSR JACKET is a junior jacket designed for practice, travel, and cooler moments at the rink. Especially for young athletes, it's important to have clothing that reliably retains heat without quickly feeling stuffy. This is exactly where the combination of Wartech and eco2sy comes in: heat stays closer to the body, while moisture is wicked away to the outside.

Product information

- Technology: Wartech for heat retention and moisture wicking
- Insulation: eco2sy thermal insulation made from recycled materials
- Material: Outer shell, inner material, and lining made of 100% polyester
- Construction: Front with zipper and 2 side pockets with zippers
- Design: Contrasting-color sleeve, shoulder, and hood elements
- Logo: Printed logos and tone-on-tone “W” logo on the lower back
- Color: black/khaki
- Size: JR in XS, S, M, L, and XL

In everyday hockey life, a jacket like this is especially useful when there’s no time for complicated outfit changes between the locker room, the arena, and playing on the ice. The polyester fabric is comfortable to wear, the insulating lining helps in cooler temperatures, and the zippered pockets keep small items safely stowed away. The black/khaki design has a sporty look without being flashy and fits well into everyday club life.

When selecting a size, choose the appropriate junior size to ensure sufficient freedom of movement across the shoulders and arms.
