Product information

Textile dye: black

Textile size-1: JR

The WARRIOR T-SHIRT COVERT TECH BLACK JR is a lightweight hockey shirt for youth players, designed to provide flexibility and a comfortable body climate during practice and games. The thin polyester fabric feels light against the skin, while Wartech technology wicks sweat and moisture away from the body.

- Technology: Wartech Moisture Management
- Material: 100% polyester, thin and lightweight
- Construction: structured, pre-shaped shoulder panels
- Side panels: concealed colored stretch panels
- Comfort: allows for freedom of movement during training and games
- Agegroup: JR
- Color: black
- Sizes: M, L, XL

A shirt like this makes a noticeable difference, especially for juniors who play regularly with their club: It stays lightweight even during intense sessions, doesn't absorb moisture unnecessarily, and supports free movement during typical hockey actions. The pre-shaped shoulder panels give the shirt additional structure without making movements feel stiff. The stretch panels on the sides provide extra flexibility where it's needed most—during running drills, changes of direction, or warm-ups. The tone-on-tone W logo on the lower back and the printed logos blend discreetly into the overall design.

When shopping for junior apparel, it's worth taking a quick look at the desired fit and selecting the appropriate size from the available JR options.
